It's been yet another year of reassuring success and confident growth at **SENEGAL HVAC R**, the must-attend trade fair for Heating, Refrigeration, Installation System, Air Conditioning, Water Treatment, and Insulation

    HVAC R EXPO was held in Dakar, the capital of Senegal, on 23-25 feb 2023 co-located with **SENCON EXPO**, the largest construction fair in West Africa, and was opened by the Minister of Developing Senegal Plan, Mr. Made by Abdoul Karim FOFANA. The official opening of the exhibition was held with the great interest of the industry, accompanied by supporters and delegations.
